ENGINEERING</p>
<p>
Embarking on a transformative journey spanning four decades, MVJ College of Engineering has evolved into a dynamic hub of learning,
blending technical prowess with character development.
</p>
<P>
The goal of MVJCE has been to create efficient programmes that allow students to be carefully transformed into highly motivated graduates
and postgraduates, enriched with professional competence, managerial skills, inherent dynamism and humanism, and industry ready. The
curriculum is revamped based on the recommendations of NEP 2020, AICTE (Model Curriculum), UGC, VTU as well as National, Societal &
industry requirements.

ABOUT MVJ COLLEGE OF ENGINEERING

Embarking on a transformative journey spanning four decades, MVJ College of Engineering has evolved into a dynamic hub of learning, blending technical prowess with character development.

The goal of MVJCE has been to create efficient programmes that allow students to be carefully transformed into highly motivated graduates and postgraduates, enriched with professional competence, managerial skills, inherent dynamism and humanism, and industry ready. The curriculum is revamped based on the recommendations of NEP 2020, AICTE (Model Curriculum), UGC, VTU as well as National, Societal & industry requirements.
